Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Donald B. Smith Transit Hub Project in surface transportation reauthorization legislation.

The project sponsor for this project is Putnam County, New York and the project is located at 110 Old Route 6, Carmel, New York 10512.

The funding will be used to design and construct a transfer pulse point for passengers transferring between Putnam Area Rapid Transit buses at the Donald B. Smith Campus.

The project is an appropriate use of taxpayer dollars and is anticipated to improve customer experience, address the needs of public bus riders, and combat climate change by reducing carbon emissions and encouraging mass transit.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney  
Member of Congress
