Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Heritage Trail Extension Project in surface transportation reauthorization legislation.

The project sponsor for this project is Orange County, New York and the project is located at Hartley Road in Goshen, New York 10924.

The funding will be used to create a multi-use trail with new decks and safety railing and rehabilitate multiple abandoned bridge structures on the Heritage Trail.

The project is an appropriate use of taxpayer dollars and is anticipated to increase safety for bicyclists and pedestrians, provide invaluable opportunities for recreation and healthy living, and serve as an important local economic driver.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney  
Member of Congress
