Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Highland Avenue over Wallace Street Project in surface transportation reauthorization legislation.

The project sponsor for this project is Orange County, New York and the project is located at 9 Wallace Street, Otisville, New York 10963.

The funding will be used to replace an existing seven span bridge with a single span bridge and retaining walls. The current bridge is experiencing severe deterioration and requires frequent patching, which may ultimately lead to bridge closure.

The project is an appropriate use of taxpayer dollars and is anticipated to improve safety, prevent future disaster, and connect the City of Middletown with the City of Port Jervis and Sullivan County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney
Member of Congress
