Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Highway and Pedestrian Safety Infrastructure Improvements Project in surface transportation reauthorization legislation.

The project sponsor for this project is the Village of Kiryas Joel and the project is located at 51 Forest Road, Kiryas Joel, New York 10950.

The funding will be used to widen and improve sidewalks in Kiryas Joel by widening sidewalk segments and installing a new curb and sidewalk where necessary.

The project is an appropriate use of taxpayer dollars and is anticipated to improve roadways in Kiryas Joel for surface transportation needs and provide a safer, more pedestrian-friendly infrastructure.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney
Member of Congress
