Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Hudson Highlands Fjord Trail Project in surface transportation reauthorization legislation.

The project sponsor for this project is Dutchess County, and the project is located along the east bank of the Hudson River, spanning from Cold Spring, New York 10516 to Breakneck, New York 10516.

The funding will transform the Hudson waterfront between Cold Spring and Beacon, New York, converting a 2-acre area of state highway with a Metro-North train station into a safer train station and multi-modal park. This will include enhanced pedestrian crossing, traffic calming bump-outs, a sidewalk, and a new overlook area of the river and highlands.

The project is an appropriate use of taxpayer dollars and is anticipated to encourage shopping at local business, protect the Hudson landscape, and enhance safety and security.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney
Member of Congress
