Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the I-84/Route 9D Connectivity Study in surface transportation reauthorization legislation.

The project sponsor for this project is the Dutchess County Planning Department and the project is located at I-84/Route 9D in Fishkill, New York 12508.

The funding will be used to study the transportation safety, reliability, and accessibility on I-84/Route 9D. The study will assess existing conditions and develop design concepts to improve access to and from the Beacon Train Station.

The project is an appropriate use of taxpayer dollars and is anticipated to improve train station access, improve operations at the I-84/9D interchange, provide safer and more reliable access to Dutchess Stadium, and reduce congestion.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney
Member of Congress

Date: April 26, 2021
