Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Lake Street Bridge Project in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Newburgh, New York and the project is located at Lake Street on State Route 32, Newburgh, New York 12550.

The funding will be used to replace the existing Lake Street Bridge and stabilize commercial and passenger vehicular traffic along State Route 32 in Newburgh, New York.

The project is an appropriate use of taxpayer dollars and is anticipated to stabilize traffic and improve vehicular access, particularly for hundreds of aged residents of local Section 8 housing complexes, located immediately adjacent to the Lake Street Bridge.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney
Member of Congress
