Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Newburgh Landing Pier Project in surface transportation reauthorization legislation.

The project sponsor for this project is Orange County, New York and the project is located at 70 Front Street, Newburgh, New York 12550.

The funding will be used to build an improved pier to replace the Newburgh Landing Pier, closed permanently in 2014 due to extensive damage. The new pier would consist of a floating dock to transfer passengers, transient mooring slips, a larger fixed pier, and an area with shaded seating and space for outdoor events.

The project is an appropriate use of taxpayer dollars and is anticipated to improve mobility for commuters, enhance travel and tourism, and provide opportunities for local communities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney
Member of Congress
