Dear Chairwoman Pingree and Ranking Member Joyce:

I am requesting funding for the Oakridge Water District PFAS Mitigation Project in fiscal year 2022. The entity to receive funding for this project is the Town of Lewisboro, located at 11 Main Street, South Salem, New York 10590.

The \$1,800,000 in requested funding would be used to expand an existing water plant structure after a well was found to be contaminated with PFAS above New York State's maximum contaminant level. This would prevent negative health effects among members of the community and ensure safe drinking water for residents of the public water supply district.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney
Member of Congress
