Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Orange-Dutchess Transportation Access and Mobility Study in surface transportation reauthorization legislation.

The project sponsor for this project is Orange County, New York and the project is located at 124 Main Street, Goshen, New York 10924.

The funding will be used to study cross-river transportation access and mobility between Orange and Dutchess Counties and examine transportation options to connect New York Stewart International Airport and the Metro-North Beacon Train Station. This study will develop plans to enhance existing ferry and bus service in Orange and Dutchess Counties and improve the waterfronts in the Cities of Beacon and Newburgh.

The project is an appropriate use of taxpayer dollars and is anticipated to bring improved access and mobility, economic growth, and tourism opportunities to Orange and Dutchess Counties.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sean Patrick Maloney
Member of Congress
